LEAVES POSTAL COMPANY.
John E. Brick to Be Local Manager of Western Union Telegraph Co.

Announcement has been made that beginning with the new year, the service of the Western Union Telegraph company will be changed, and bettered, so far as the public service is concerned. In the present location, railroad messages have had the preference, and the proposed change is made with a view to relieving congestion and giving the public better service. John E. Brick, who for the past 23 years has conducted the business of the Postal Telegraph company in this city, with an office in the store of Brick & Sullivan, has resigned as manager, to take effect Jan. 1, and has accepted a proposition from the Western Union people to conduct their public office in Willimantic, although the office will not be entirely removed from the railroad station. Just what the Postal Telegraph company will do in the future is undecided.

CITY'S WHITE WAY.

Extra Lights to Be Turned on Wednesday—Will Glow Until After Christmas.

Workmen were busy Monday putting up the lights for the White Way, the money for which was raised by subscription from the Main street merchants some two weeks ago. The lights are similar to those used in the Elks' celebration last March, and will be strung across Main street from Lincoln's corner to the City Grocery store on the corner of Walnut street. They will be lighted Wednesday evening for the first time, and with the brightening up of the windows in the stores in preparation for the Christmas season, will give the street a most attractive and brilliant appearance. The lights will be kept in place until Christmas and possibly for a week or so after that time.

E. L. M. OINTMENT

"THE HEALER OF SKIN DISEASES."
A preparation which penetrates the pores, removing all impurities, restores life and will heal the most stubborn skin diseases if directions are carefully followed.
56 Clark St., Westerly, R. I.
I have used your E. L. M. Ointment for Sulfur Rheum and find it to be the finest ointment I have ever purchased, either in America or Europe, and I have tried for several years to find a remedy which would help my case. E. L. M. has proven to be the only remedy which has really given me results.
(Signed) MRS. R. KENNEDY.

WILLIMANTIC, CONN.

BOARD OF ALDERMEN

Heard Petitions for Lights Read—Move to Clean Up Old Tax and Sewer Liens.

The regular monthly meeting of the board of aldermen was held in the council chamber in the town building Monday evening and was called to order by Mayor D. P. Dunn at 8 o'clock. After the minutes of the previous meeting had been read and approved, the report of Chief E. H. Richmond of the police department was read, showing 49 arrests, one-half of which were for drunkenness; 11 were committed to jail, 9 released, 12 paid fines and costs and the balance were otherwise disposed of. Ninety-four tramps were lodged in the station house. The lights were out 705 hours, and 127 complaints were received.

The expense of the street department for the preceding month as detailed in the superintendent's report totaled \$701.55, with \$439.73 for the lower Main street improvements.

The statement of City Treasurer A. C. Scripture of receipts and expenses during the month of November, as already printed and distributed, was read and approved.

The report of the standing committee on sewers of the work done during the year was read and accepted. A petition requesting three additional lights on Ash street, and signed by George M. Flint and others, was left to the lighting committee with power.

A petition that the light on Elm street near the right of way be moved 50 feet to the corner of Main street and the right of way was referred to the same committee with power.

A petition for two lights, one corner of Valley and Birch streets and one corner of Valley and Irving Hill (proposed), was referred to the light committee with power.

The enrollment papers of the members of the fire department, recommended by the board of engineers, were presented and by vote accepted as the papers for the ensuing year.

City Clerk Scripture then read a list of tax liens now standing in favor of the city, as required by vote of the preceding meeting, showing a total of \$1,292.50, sewer liens amounting to \$3,471.05. The report was accepted.

A resolution appropriating to the various departments their allotment of public moneys, as settled by the recent city meeting, was then passed, totaling \$87,850. A move was made to strike out the appropriation for \$100 for a better system of bookkeeping, but the motion was ruled out by Mayor Dunn on advice of Corporation Counsel T. J. Kelley.

Alderman Jenkins said he opposed any change in the way the treasurer kept his books, which he said were simple and said to be the best he had ever seen by an expert who examined into the financial condition of the city.

Alderman Gellinas spoke of the need of a better system in preparing the annual reports. Mayor Dunn said the council were under no obligation to spend the full amount.

A resolution fixing the salaries of the city officials at the same rate as customary, was adopted.

A resolution authorizing the mayor to borrow \$5,000 for current expenses was adopted.

The committee to which was referred the claim of Joseph Mercer for an abatement on his property on Main and Bridge streets recommended the payment of the Bridge street assessment and the abatement of the Main street assessment, and this action was taken.

Pursuant to the report of the sewer assessment committee, a resolution was adopted authorizing the assessment for the sewer on Valley street beyond Tingley and report at the next meeting was adopted. The same course was taken in regard to the recently completed sewer on Windham road.

The committee on streets was authorized to proceed to fix lines and

grades on Main street from the road-bed of the New Haven road to No. 505 Main street and report back to the board.

According to the recommendation of the appropriate committee, the change in the new traffic rules taking away the prohibition of turning about on portions of North, Church, Main and Jackson streets was adopted.

Mayor Dunn then appointed the following as members of the finance committee for the ensuing year: Aldermen Holbrook, Jenkins and Graves. Alderman Gellinas stated he wished to see the old liens, the list of which had been prepared and read by the city clerk, cleared up and not have the matter dropped here. A resolution was drawn up by the corporation counsel, presented by Mr. Gellinas, and adopted, to the effect that the city clerk be instructed to notify the present owners of the property, demanding the correct amount due, with interest, and report back to the next meeting of the council.

Alderman Gellinas asked if it was the duty of the city health officer to inspect milk in the city, and if he was under obligation to make any stated report. He said he thought some report should be made. In furtherance of this suggestion, the health officer was requested to render monthly accounts of all matters of interest in regard to his department. The resolution was adopted.

After the reading of the bills, the meeting adjourned at 9:20.

CHANGES IN RATES.

Increase in Railroad Fares Chiefly Felt on the Providence Division.

The advance in the passenger rate on the New Haven road, which took effect at the beginning of the year and is on the basis of 2 1/2 cents a mile, will be chiefly felt on the Providence division, so far as this city is concerned. The rates have been lowered to most points on the Middle division between Hartford and Boston. Long distance points have a considerable increase in some cases; for instance to New York by the Air route the fare is increased 20 cents; to Hartford 33 cents. The Boston rate remains the same, and the Providence rate direct has been raised 15 cents.

Charities Board Committee to Report.
This evening the committee of seven selected last Tuesday evening to prepare a method of organization for the proposed charities board in this city will report to the committee of the whole, comprising a majority of all the organizations in the city doing charitable work. Any society which was not represented at the last meeting of the committee of the whole, has been invited to send a delegate to this meeting to join in its councils.

Week's Labor Payroll.

The city labor payroll for the week ending Dec. 12, 1914, totaled \$448.32, divided as follows: Police department, \$147.90; street department, \$181.13; maintaining sewers, \$28.89; water-works, \$30.51.

WEDDING.

Wilson-Clark.

Everett J. Wilson and Miss Almira B. Clark, both of South Coventry, married Saturday evening in this city by Rev. W. F. Rowley, pastor of the Baptist church. They will reside in New Britain following a short wedding trip.

Sam Johnson Directing Minstrels.
Sam Johnson, the well known minstrel man of this city, will be busy this week when he begins directing rehearsals for the Minstrels to be staged by the Putnam lodge of Moose. He is already working with the members of the Glee club on their performance, which will be held within a few weeks, presumably.

Flagstaff Cut Down.
The flagpole near the entrance of the old Natchaug school building, was cut down Monday morning. It will be replaced with a specially selected 80 foot pine pole which has already been contracted for with the firm of Jackson & Sumner of this city. The new pole will be set in front of the new building, facing the junction of Milk and Jackson streets, and will be imbedded in six feet of cement.

Store Robbed.
Goldberg Brothers' clothing store was broken into again Friday night. Entrance was gained through a transom.

Colds Are Often Most Serious—Stop Possible Complications.

The disregard of a cold has often brought many a regret. The fact of sneezing, coughing or a fever should be warning enough that your system needs immediate attention. Certainly loss of sleep is most serious. It is a warning given by nature. It is made duty to himself to assist by doing his part. Dr. King's New Discovery is based on a scientific analysis of colds. Get at your druggist. Buy a bottle today.

The Liver—Regulates the Body—A Sluggish Liver Needs Care.

Someone has said that people with chronic liver complaint should be shut up away from humanity, for they are pessimists and see through a "glass darkly." Why? Because mental distresses depend upon physical states. Bilelessness, headache, dizziness and constipation disappear after using Dr. King's New Life Pills. See at your druggist.
